BRIEF ABSTRACT OF LETTER.

Requests sanction to the entertainment of the temporary ~~entertainment~~ Accountant for 6 months with effect from 1-7-10, as the pressure of work relating to the Exh^n. has been increasing.

NOTES AND ORDERS.

When the Dasara Exh^n. was first organised in 1907, the President was allowed to utilize the services of an accountant on Rs 40 to Rs 60 for a period of 3 months: On the representation of the Rev. Comer who was then President

of the Exhn Committee, to the effect that the accounts of the Exhn of 1907 could not be closed within the period of 3 months allowed, the retention of the accountant for a further period of 2 months was sanctioned in Govt. No. R 3884-90-Agri/1907-95 dt 21-12-07. During the succeeding Exhibitions of 1908 & 1909 however, the President himself sanctioned the employment of the accountant for 6 months. When the Statement of expenditure relating to the Exhn of 1909 was submitted, the unauthorized procedure was noticed & Govt sanctioned the same with certain observations. The extension of the services of the accountant till the 2nd of June 1910, on account of heavy work, was also applied for by the President & it has since been sanctioned in Govt. no. R 157-58-Agri/09-09-6 dt 11-7-10.

A proposal for making the temporary accountant's place permanent was sent by the President & this has been returned for submission thro' the Comptroller after

pra months only. Work connected with such
an institution therefore begins a little earlier &
the finale takes some time after the actual
Exhibition is closed. A period of 8 months
now allowed permits the entertainment of the
asstt 2 months earlier and keeping him on
for 3 months for winding up the work after
the Exhibition is over and this period seems
the ample. It is opportune to consider what
work the asstt has to do all the year round
and why he cannot close his accounts
within three months of the Ceasing of the
Exhibition. Unless the asstt is asked to do
work unconnected with accounts work
there seems to be no reason for keeping
him all the year round. To make the post
a permanent involves an Extra
recurring Cost of 600 Rs per annum
and throws an additional prospective
charge on the Pension Establishment
hereafter.

SIR,

I have the honor to state that the Accountant was appointed last year on Rs. 50 from the 1st July 1909 owing to heaviness of work, and the retention of his services till the end of June 1910 was recommended and sanctioned by Government in G.O. No. R 157-58/Agri.99-09-6 dated 11th June 1910. As the proposal for the appointment of a whole time accountant from 1st July 1910 has been pending disposal and as the pressure of work has been increasing, I beg that the further retention of the services of the accountant referred to in the above Government Order from 1st July 1910 may formally be sanctioned as provision has already been made in the current year's budget for 6 months at Rs. 50, as otherwise the Comptroller declines to audit the Pay Bill of the Official for July 1910.
